## PRESIDENT'S MESSAGE

I am writing this letter as we go through another Bayou City rain event. As we move forward in 2016, rain, flood control, upgrades in the museum and medical center area all have reminded us of the past that our ancestors had to endure. I think about Will Clayton riding in a carriage to downtown Houston.

Yet, we still have the benefit of his great home, carriage and guest houses which were the beginning of our world class genealogical center. I'm reminded every month of the programs and services that our board and professional staff render to our members and guests. It is still your interest and participation in genealogical research that drives our efforts to provide and promote our library. Your membership and financial support allow these services to grow.

Look forward to the programs that are planned this year. Our newsletter and website have the details of great speakers and locations.

Thank you all for your presence and utilization of Clayton Library and the hard work of our professional staff and volunteers. The sun will come out tomorrow and probably has by the time you read this.

All the best in your research.

Les Fullerton,  
President, Clayton Library Friends

# Manager's Message

## Ya gotta have FRIENDS!

As I approach my ten year anniversary at the Clayton Library, (and as I get older), being more reflective has entered my life. A recent event here at the Library has sparked a strong chord in my mind regarding the Clayton Library Friends.

In the past almost ten years that I've been here, the Clayton Library Friends have been there when the Clayton Library needed them, at the drop of a hat. The most recent event was a reception that was held at the Library on Thursday 21 April 2016, during the Texas Library Association (TLA) Conference. This conference brings nearly 7,000 librarians from across the state to its annual conference. As with most organizations, special interest groups make up the larger Association. The Archives, Genealogy, Local History Round Table (AGLHRT) is one such group. At the TLA annual conference, these groups offer special events, pre-conferences, and sponsored lectures related to that group's interest. On this April evening, AGLHRT sponsored Drew Smith, a nationally recognized genealogy lecturer and librarian to meet and greet, and offer a lighthearted presentation to conference attendees.

To do this we needed human power+to help with the after-hours event. I turned to the Clayton Library Friends volunteers. Without hesitation, we received a group of these volunteers, ready and willing to help make this special event successful, fun (since we didn't have lights in the Main House and Carriage House and had to use CLF door prize flashlights), and a hit with all the visiting librarians attending this event. We had food, fun, and great networking! ALL because of the Clayton Library Friends supporting this event with people and funds.

As with this event, my ability to rely on CLF throughout the years for funds provided for materials, (over \$300,000 in the ten years), volunteer hours that each year give us 1.5 extra full-time staff, providing new microfilm scanners and a photo scanner for customer use, a fantastic conference exhibit pop-up display about the library, and now a pop-up tent for the staff to sit under when we do outreach at remote locations! is beyond words, I cannot say thank you enough.

The Clayton Library Friends is the model Friends group for all of the Houston Public Library system. I am pleased, honored, and amazed by the commitment and concern you have for the Library, its collections, and its place in the Houston and national genealogical community. Thank you for the past ten years! and here's to many more!

Sue Kaufman  
Manager, Clayton Library

*Editor's note:* Since Sue wrote the above message, we have learned that Drew Smith, mentioned above as our guest speaker at Clayton for the TLA conference, was awarded the prestigious **Filby Award for Genealogical Librarianship** at the National Genealogical Society (NGS) annual meeting in this week.

### **State and Local Government Repositories for Family History**

Learn how to access the vast numbers of records placed online at state and local government websites during this hands-on workshop. Participants will be able to pick their favorite state and conduct a full search for treasures hiding under a .gov domain. (Bring your laptop.)

### **Putting it Together: A Case Study**

Follow a family from the early 1800s to the early 1900s as they migrated from Pennsylvania to Idaho. Watch as records from the home (family bibles and letters) are combined with newspapers, tax records, census records, cemetery records, family files, and other records to compile the family.

## **Volunteer Appreciation Ceremony –**

National Volunteer Week was in April, and the Houston Public Library once again hosted its annual Volunteer Appreciation Ceremony on Wednesday, April 27, in the auditorium of the historic Julia Ideson Building at the Central Library in downtown Houston. Volunteers from throughout the Houston Public Library system (including volunteers Pat Metcalfe and Tom Coughlin from Clayton Library) were in attendance.

HPL Director Dr. Rhea Lawson thanked the volunteers for their service and highlighted the different roles volunteers play in making visitors feel welcome, providing dedicated support to special projects, and just doing what needs to be done to assist a size-reduced library staff. Guest speaker Janice Warren addressed the participants on the personal satisfaction she gained from volunteering as a visual artist to children with autism, and Ms. Bubushka Monetti (recording artist, Underwater Music) provided words and songs to entertain and inspire.

Volunteers were treated to a fajita lunch and goodie bags, and door prizes were raffled off (with Tom Coughlin picking up a \$50 Best Buy gift card . congrats Tom!)

We can never say thank you enough for the many hours our volunteers give to the library. We are looking forward to our next volunteer appreciation event for Clayton Library volunteers, coming up in the fall. We hope to see you there!

Steven Bychowski  
Clayton Library Volunteer Coordinator

## **A New Display to Promote Clayton Library –**

Clayton Library Friends has purchased a display that will be used at conferences and national meetings to introduce and promote Clayton Library. The picture below was taken at the Texas State Genealogical Society annual conference last fall. Although a full-size floor display, it slips over frames that dis-assemble easily to pack into easily transportable units. This fall we plan to use the display at the Federation of Genealogical Societies (FGS) annual national meeting being held in Springfield, Illinois August 31 thru September 3. CLF has reserved an Exhibit Hall space to promote Clayton Library to the national audience. If you plan to attend this meeting we would love to have you volunteer at the booth to help tell people about Clayton Library.

# Genealogy Roadshow Showcases Area Genealogists

**Channel 8, Houston PBS, 7 pm, Tuesday, May 31<sup>st</sup>**

We want to let you know that the *Genealogy Roadshow* segment showcasing Houston will be broadcast on Channel 8, Houston PBS, on Tuesday, May 31st at 7 pm. The Genealogy Roadshow production team was in Houston on Sunday, November 22, 2015 to film for season three of *Genealogy Roadshow*. They filmed at Clayton Library, Center for Genealogical Research, 5300 Caroline Avenue as well as Julia Ideson Library, Houston Metropolitan Research Center, 500 McKinney Street, downtown Houston. They only film in important historic buildings and knocked it out-of-the-park with these two important historic sites.

Thanks to volunteers from Clayton Library Friends and staff of the Houston Public Library who helped make this event such a success with over 500 people attending. Genealogy Roadshow's goal was to film the stories and mysteries of selected genealogists from the area as well as for local organizations to promote their organizations and to assist and encourage area genealogists to pursue their family history quests. The broadcast will be a wonderful opportunity for Clayton Library, Clayton Library Friends, the Houston Public Library, local genealogists, and others to receive national recognition and appreciation for what they do to promote genealogy and to help area genealogists solve those burning mysteries! The majority of the event was filmed in the Julia Ideson Library, a beautiful historic building where the Clayton Library genealogy collection had its origin. Some filming was also done in the historic Clayton House at 5300 Caroline Avenue, part of the four-building complex of the Clayton Library, Center for Genealogical Research.

Clayton Library Friends and volunteers enjoyed working with David Johnson, Production Producer, and his assistant, Ashley Truman, and their Genealogy Roadshow team who were so friendly and professional, as well as appreciative of our efforts. After the event they told Clayton Library Friends how truly grateful they were for our help during their event which showcased stories of area genealogists.

Please tune in to watch and you just might see yourself on television!!! You will also see great stories and the mysteries that were solved by the Genealogy Roadshow team not only in the Houston area but also around the United States. Shows filmed in other cities will begin broadcasting on Tuesday, May 17th. You can check scheduling for all of the Genealogy Roadshow episodes at <http://www.houstonpublicmedia.org/tv8/>

## **Acquisitions –**

The Acquisitions Committee, under the direction of John Dorroh, has been very busy ordering new additions for the Clayton Library shelves. Your dues and donations have made it possible to order more than \$11,000 of genealogical reference materials since the first of this year. An 8-page single-spaced list of the items ordered includes multiple items relating to Alabama, Arkansas, Illinois, Kentucky, Maryland, Michigan, North Carolina, Ohio, Oklahoma, Tennessee, Texas, and Virginia. The majority of these items have paper covers, and will need to visit the bindery for hard covers before you find them on the shelves. But they are being processed as we speak.

If you know of something that we don't have -- but we should have it, let the library staff know and they will pass the information on to the CLF Acquisitions Committee.

## **Membership –**

Thank you for joining or continuing your membership with Clayton Library Friends for the 2016 year. As you see in this newsletter, we have some excellent programs planned for your enjoyment and education. Although our membership numbers are not as high as they were fifteen or twenty years ago, we continue to have a dedicated core who support Clayton Library. And, we continue to find people who do not know about Clayton, or who comment that they haven't been to the library in a long time. Just how long, becomes evident when someone walks into the House and wonders where all the Family History books are. They were moved to the second floor of the Main Building in August of 2006.

Each year we add a number of new members . people who are researching their families, who found that Clayton owns the resources that they need, and who want to contribute dues and donations to help us continue to expand our collections and promote Clayton Library. Thank you to all of you for your support, and please don't forget to send your friends over to visit our library.

1<sup>st</sup> VP/Membership Chair

# Ice Cream Social for all CLF members –

On Saturday June 25<sup>th</sup> let's gather at the Carriage House and overflow into the Clayton Library garden if the weather is nice. You can pretend that you're 10-years-old again . making your own ice cream sundae just the way you want it.

At our last CLF Board meeting, we agreed that we were not doing enough fun things that let us get acquainted with each other. We don't have opportunities to connect names with faces. Come and meet your Board members and fellow CLF members. Tell your Board what you want from your organization and how you might become more involved in CLF. Perhaps it would be a good day for you to spend time researching at the library? You could get acquainted with some of our new library acquisitions, and then relax with fellow CLF members over a dish of ice cream.

Sure, we put on name-tags at the quarterly meetings, and then we all sit in chairs facing the front of the room . not even able to read the name of the person sitting beside us. The Board has no ulterior motives for this Ice Cream Social . just a pleasant social get-acquainted gathering.

This particular event was proposed the morning that this newsletter was being completed . so it did not get onto the page 3 Mark Your Calendar list. Soooooo, go mark your calendar now and plan to join us on June 25<sup>th</sup> . rain or shine, but we do hope for nice weather that day. Hope to see you there.

## Clayton Library Friends Needs YOU!

As provided in the Bylaws, terms for serving on the Friends Executive Board are limited . four consecutive years in one position, and a maximum of six consecutive years on the Board. Several of our current Board members will need to change positions or leave the Board, and several more will be term-limited out. Now is YOUR chance to get on the CLF Board and help move the organization along with some new energy. We have a CLF Job Procedures Manual which should help a new Board member take off running.

At our last meeting we selected Loren Martin, 2<sup>nd</sup> VP, to be our Board representative on the Nominating Committee. The rest of the Committee will be selected at our CLF General Meeting on May 14<sup>th</sup>. In the meantime, if you would like to be considered for a Board position you may contact Loren via his e-mail: LMartin497@aol.com. If a position that you are interested in isn't currently open, the committee will keep your name handy. It won't be long before that position becomes available, by virtue of term-limitations.

One particular position where we need a replacement in 2017 is **Treasurer**. Resa Hennings has been our CLF Treasurer for the last five years and would like to step down from this office. She has everything in order and working smoothly, so it should be an easy transition. She says, % would be most helpful to have some experience with QuickBooks Online, or a similar accounting program. Treasurer duties involve overseeing checks deposited into the Friends account, writing checks, preparing quarterly financial statements, reconciling our checking, VISA credit card, and PayPal accounts, and preparing the annual budget [with the help of the CLF Board members]. The Treasurer also oversees the Friends Investment account, and readies the books for the annual Audit. Attendance at quarterly Board and General meetings is desired.+

### **In Memoriam**
